

2024 RMF Fall Season Football League (Coaches Information)

Regina Minor Football regular fall season starts August 6th for Atom, PeeWee, and Bantam. The Mighty Mites season has a kick-off weekend camp starting Friday August 9th for coaches and August 10th and 11th for players.

We are now accepting applications for the Head Coaching Positions and Assistant Coaches. Regina Minor Football has a great support system for all coaches, and especially the new Mighty Mite Coaches with safe contact training, tips and drills at the kickoff camp practice plans and a generic play book that all MM coaches must use.

The Deadline to apply is May 15th. All coaches must have their safe contact training, a criminal record check (in the last 3 years) and sign a self-disclosure form.

In 2023 Head Coaches also needed the “Respect in Sport Training”, and one coach from each RMF team had to take the “Making Headway in Football Online Training”. Discussion on these programs is at the coaches selection committee and may be required for all coaches in 2024. In preparation for this requirement, you may want take this training in advance. Information on our female program and female coaches will be available by the end of February.
